## Personal Profile

---

I am a Software Engineering student at Daffodil International University with a strong passion for UI/UX design. I am dedicated to creating visually appealing and user-centric experiences. Alongside my design skills, I have experience in video editing, photography, and photo editing. I am a lifelong learner, constantly seeking opportunities to stay updated with industry trends and advancements. My commitment to technology and learning makes me a valuable candidate for any UI/UX role. Additionally, I have worked as an IT Head and GRC (Governance, Risk, and Compliance) for a law firm, which helped me improve my skills in identifying IT-related risks and problems.
