I am LAFRINA AKTER a hardworking and ambitious individual with a great passion. I am currently in my 4th year of studying NUTRITION & FOOD ENGINEERING at Daffodil International University. I have excellent communication skills, enabling me to effectively communicate with a wide range of people. I am seeing a position in the industry in which I can put into my effort which ultimately benefiting the operations of the organization that I will work for.

WORK EXPERIENCE

2018-Present

TUTOR - HOME TUTOR

I am helping students learn and understand in a best possible way. Also I prioritize basic knowledge and morality of my students and their parents.

2020-2021

Moderator at EVOLUTION.CO.UK

I monitored and managed the content of the social media page. I had to ensure that all posts, comments, and messages follow the established guidelines and policies of the platform, and they may also engage with users to answer questions or resolve issues.

ACHIVEMENTS

Best Poster Award- 2nd Prize --

Organized by HRDI and Nutrition and Food Engineering Department and FSQAL on the occasion of WORLD FOOD DAY 2020

Development of Protein Bar --

Me and my team partner developed a low calorie protein bar which got a renown place at BAPA 2020.

Innovative Food Product Development Competition-2022

Participated and got a chance to showcase our product in the BAPA-2022.

WORK EXPERIENCE

2021-Present

Moderator & Designer at MAUDLIN

I monitor and manage the content of the social media page. I have to ensure that all posts, comments, and messages follow the established guidelines and policies of the platform, and they may also engage with users to answer questions or resolve issues. I am also the designer and producer of this company.

May 2023 - July 2023

Internship at Mohammadpur Fertility Service & Training Center

I have finished my internship from MFSTC.

April 2023 - Present

Research on Mother's Health along with Children's

Currently i am doing a research on mother's health and along with their children's. Which also will be my thesis as well.
