---

## Profile

Upcoming Computer Science and Engineering graduate equipped with a solid foundation in development and programming principles. Demonstrated proficiency in languages like C/C++, JavaScript, and numerous programming languages and frameworks. Adapts swiftly to emerging technologies, excels in collaborative team environments, and thrives when working independently.

---

## Education

### BSc in Computer Science & Engineering

January 2020 - Soon

Daffodil International University

- CGPA: 3.63 out of 4.00
- Successfully complete DSA, OOP, DBMS etc. core CS courses.

### Higher Secondary Certificate (Science)

2019 Batch

B A F Shaheen College Dhaka

---

## Core Competencies

### C/C++

During my education I complete my problem solving, Data structure, Algorithm etc. course using C programming. I have solved many problems on codeforce, beecrowd etc. using C++.

### HTML CSS JavaScript

I've dedicated two years to mastering web development, focusing on HTML, CSS, JavaScript, and frameworks like **Bootstrap** and **Tailwind**.

### React JS, Node JS, Express JS

To continue on road of development I am learning React JS, Node JS and Express JS by developing various projects. Also I have learned **REST API** and **JSON**.

### MYSQL, MongoDB

Database is important part in full-stack development. I learned MYSQL from my DBMS course and MongoDB from online for **MERN** stack development.

---

## Projects

### Final Year Project (in progress)

Zipifly- A incognito parcel delivery service

- React Native for mobile Application.
- MERN for web version.
- Will finish by December.

### React JS Project

[TourHobe.com](https://TourHobe.com)

- Used React JS to build a website.
- Routes, Hooks, Components have been implemented here.

### Database Project (Core course project)

[PresCribes- A digital prescription system](#)

- Front-end: Html CSS Bootstrap.
- Back-end: PHP.
- Database: MYSQL.

### MERN Project

To-do List

- MongoDB for storing data
- REST APIs and JSON

---

## Soft Skills

Team Player, Fast Learner, Problem solver

---

## Language

Bengali (Native), English (Fluent)
